2.12 Corrupt or fraudulent practices
2.1 Introduction

2.1.1 The Client named the Appendix to “ITF” will select a firm, from among the firms invited to submit a proposal, in accordance with the method of selection detailed in this document.

2.1.2 The Procuring entity will provide the inputs specified in the Appendix “ITC”, assist the firm in obtaining licenses and permits needed to carry out the services and make available relevant project data and reports.

2.1.3 Please note that (i) the costs of preparing the proposal and of negotiating the Contract, including any visit to the Client are not reimbursable as a direct cost of the assignment; and (ii) the Client is not bound to accept any of the proposals submitted.

2.1.4 The procuring entity’s employees, committee members, board members and their relative (spouse and children) are not eligible to participate.

2.1.5 The tender document shall be obtained freely from the County Government of Meru website

2.1.6 The procuring entity shall allow the tenderer to review the tender document free of charge before purchase.

2.1.7 The firms with the technical bids scoring seventy percent (70%) and above shall have their financial bids evaluated.

2.2 Clarification and Amendment of RFP Documents

2.2.1 Firms may request a clarification of any of the RFP documents only up to seven [7] days before the proposal submission date. Any request for clarification must be sent in writing by paper mail, cable, telex, facsimile or electronic mail to the Client’s address indicated in the Appendix “ITF”. The Client will respond by cable, telex, facsimile or electronic mail to such requests and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all invited firms who intend to submit proposals.

2.2.2 At any time before the submission of proposals, the Client may for any reason, whether at his own initiative or in response to a clarification requested by an invited firm, amend the RFP. Any amendment shall be issued in writing through addenda. Addenda shall be sent by mail, cable, telex or facsimile to all invited consultant and will be binding on them. The Client may at his discretion extend the deadline for the submission of proposals.

2.3 Preparation of Technical Proposal

2.3.1 The invited firms’ proposals shall be written in English language.
2.3.2 In preparing the Technical Proposal, firms are expected to examine the documents constituting this RFP in detail, in particular the term of reference. Material deficiencies in providing the information requested may result in rejection of a proposal.

2.3.3 While preparing the Technical Proposal, consultant must give particular attention to the following:

(i) If a firm considers that it does not have all the expertise for the assignment, it may obtain a full range of expertise by associating with individual consultant(s) and/or other firms or entities in a joint venture or sub-consultancy as appropriate. Consultant shall not associate with the other consultant invited for this assignment. Any firms associating in contravention of this requirement shall automatically be disqualified.

(ii) For assignments on a staff-time basis, the estimated number of professional staff-time is given in the Appendix. The proposal shall however be based on the number of professional staff-time estimated by the firm.

(iii) It is desirable that the majority of the key professional staff proposed be permanent employees of the firm or have an extended and stable working relationship with it.

(iv) Proposed professional staff must as a minimum, have the experience indicated in Appendix, preferably working under conditions similar to those prevailing in Kenya.

(v) Alternative professional staff shall not be proposed and only one Curriculum Vitae (CV) may be submitted for each position.

2.3.4 The Technical Proposal shall provide the following information as per terms of reference.

(i) A description of the methodology and work plan for performing the assignment.

(ii) The list of the proposed staff team by specialty, the tasks that would be assigned to each staff team member and their timing.

(iii) CVs recently signed by the proposed professional staff and the authorized representative submitting the proposal. Key information should include number of years working for the firm/entity and degree of responsibility held in various assignments during the last ten (10) years.

(iv) Any additional information requested in advertisement.
2.3.5 The Technical Proposal shall not include any financial information.

2.4 Preparation of Financial Proposal

2.4.1 In preparing the Financial Proposal, consultant are expected to take into account the requirements and conditions outlined in the RFP documents. The consultant are supposed to prepare bills of quantities and cost as per the design.

2.4.2 Consultant shall express the price of their services in Kenya Shillings.

2.4.3 Commissions and gratuities, if any, paid or to be paid by consultant and related to the assignment will be listed in the Financial Proposal submission Form.

2.4.4 The Proposal must remain valid for 60 days after the submission date. During this period, the consultant is expected to keep available, at his own cost, the professional staff proposed for the assignment. The Client will make his best effort to complete negotiations within this period. If the Client wishes to extend the validity period of the proposals, the consultant shall agree to the extension.

2.5 Submission, Receipt, and Opening of Proposals

2.5.1 The original proposal (Technical Proposal and, if required, Financial Proposal; see para. 1.2) shall be prepared in indelible ink. It shall contain no interlineation or overwriting, except as necessary to correct errors made by the firm itself. Any such corrections must be initialed by the persons or person authorised to sign the proposals.

2.5.2 For each proposal, the consultant shall prepare the number of copies indicated in Appendix “A”. Each Technical Proposal and Financial Proposal shall be marked “ORIGINAL” or “COPY” as appropriate. If there are any discrepancies between the original and the copies of the proposal, the original shall govern.

2.5.3 The original and all copies of the Technical Proposal shall be placed in a sealed envelope clearly marked “TECHNICALPROPOSAL,” and the original and all copies of the Financial Proposal in a sealed envelope clearly marked “FINANCIAL PROPOSAL” and warning: “DO NOT OPEN WITH THE TECHNICAL PROPOSAL”. Both envelopes shall be placed into an outer envelope and sealed. This outer envelope shall bear the submission address and other information indicated in the Appendix “ITC” and be clearly marked, “DO NOT OPEN, EXCEPT IN PRESENCE OF THE OPENING COMMITTEE.”
2.5.4 The completed Technical and Financial Proposals must be delivered at the submission address on or before the time and date stated in the Appendix “ITC”. Any proposal received after the closing time for submission of proposals shall be returned to the respective consultant unopened.

2.5.5 After the deadline for submission of proposals, the Technical Proposal shall be opened immediately by the opening committee. The Financial Proposal shall remain sealed and deposited with a responsible officer of the client department up to the time for public opening of financial proposals.

2.6 Proposal Evaluation General

2.6.1 From the time the bids are opened to the time the Contract is awarded, if any consultant wishes to contact the Client on any matter related to his proposal, he should do so in writing at the address indicated in the Appendix “ITC”. Any effort by the firm to influence the Client in the proposal evaluation, proposal comparison or Contract award decisions may result in the rejection of the consultant’s proposal.

2.6.2 Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

2.7 Evaluation of Technical Proposal

2.7.1 The evaluation committee appointed by the Client shall evaluate the proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria as follows

| Points | Specific experience of the lead consultant | 25 |
| Points | Methodology & Work plan | 10 |
| Points | Qualifications and competence of the key staff for the assignment | 15 |

**Total Points 50**

Each responsive proposal will be given a technical score. (A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference or if it fails to achieve the minimum technical score indicated in the Appendix “ITF”).

2.8 Public Opening and Evaluation of Financial Proposal

2.8.1 After Technical Proposal evaluation, the Client shall notify those consultant whose proposals did not meet the minimum qualifying mark or were considered Non-responsive to the RFP and Terms of Reference, indicating that their Financial Proposals will be returned after completing the selection process. The Client shall simultaneously notify the consultant who have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals and stating that the opening ceremony is open to those consultant who choose to attend. The opening date shall not be sooner than seven (7) days after the notification date. The notification may be sent by registered letter, cable, telex, facsimile or electronic mail.

2.8.2 The Financial Proposals shall be opened publicly in the presence of the consultant’ representatives who choose to attend. The name of the consultant, the technical. Scores and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. The Client shall prepare minutes of the public opening.

2.8.3 The evaluation committee will determine whether the financial proposals are complete (i.e. whether the consultant has costed all the items of the corresponding Technical Proposal and correct any computational errors. The cost of any unpriced items shall be assumed to be included in other costs in the proposal. In all cases, the total price of the Financial Proposal as submitted shall prevail.

2.8.4 While comparing proposal prices between local and foreign firms participating in a selection process in financial evaluation of Proposals, firms incorporated in Kenya where indigenous Kenyans own 51% or more of the share capital shall be allowed a 10% preferential bias in proposal prices. However, there shall be no such preference in the technical evaluation of the tenders. Proof of local incorporation and citizenship shall be required before the provisions of this sub-clause are applied. Details of such proof shall be attached by the Consultant in the financial proposal.

2.8.5 The formulae for determining the Financial Score (Sf) shall, unless an alternative formulae is indicated in the Appendix “ITC”, be as follows:-
\[ S_f = 100 \times \frac{F_m}{F} \]
where Sf is the financial score; Fm is the lowest priced financial proposal and F is the price of the proposal under consideration. Proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights \( T = \text{the weight given to the Technical Proposal; } P = \text{the weight given to the Financial Proposal; } T + P = 1 \) indicated in the Appendix. The combined technical and financial score, S, is calculated as follows:-
\[ S = S_t \times T \% + S_f \times P \% \]
The firm achieving the highest combined technical and financial score will be invited for negotiations.

2.8.6 The tender evaluation committee shall evaluate the tender within 30 days of from the date of opening the tender.
2.8.7 Contract price variations shall not be allowed for contracts not exceeding one year (12 months).

2.8.8 Where contract price variation is allowed, the variation shall not exceed 10% of the original contract price.

2.8.9 Price variation requests shall be processed by the procuring entity within 30 days of receiving the request.

2.9 Negotiations

2.9.1 Negotiations will be held at the same address as “address to send information to the Client” indicated in the Appendix “ITF”. The aim is to reach agreement on all points and sign a contract.

2.9.2 Negotiations will include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Terms of Reference. The Client and firm will then work out final Terms of Reference, staffing and bar charts indicating activities, staff periods in the field and in the head office, staff-months, logistics and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the “Description of Services” and form part of the Contract. Special attention will be paid to getting the most the firm can offer within the available budget and to clearly defining the inputs required from the Client to ensure satisfactory implementation of the assignment.

2.9.3 Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no breakdown of fees).

2.9.4 Having selected the firm on the basis of, among other things, an evaluation of proposed key professional staff, the Client expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, the Client will require assurances that the experts will be actually available. The Client will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.

2.9.5 The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations the Client and the selected firm will initial the agreed Contract. If negotiations fail, the Client will invite the firm whose proposal received the second highest score to negotiate a contract.

2.9.6 The client shall appoint a team for the purpose of the negotiations.
2.10 Award of Contract

2.10.1 The Contract will be awarded following negotiations. After negotiations are completed, the Client will promptly notify other consultant on the shortlist that they were unsuccessful and return the Financial Proposals of those consultant who did not pass the technical evaluation.

2.10.2 The selected firm is expected to commence the assignment on the date and at the location specified in Appendix “ITF”.

2.10.3 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.10.4 The procuring entity may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

2.10.5 The procuring entity shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

2.10.6 To qualify for contract awards, the tenderer shall have the following:
   (a) Necessary qualifications, capability experience, services, equipment and facilities to provide what is being procured.
   (b) Legal capacity to enter into a contract for procurement
   (c) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing.
   (d) Shall not be debarred from participating in public procurement.

2.11 Confidentiality

2.11.1 Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the, firms who submitted the proposals or to other persons not officially concerned with the process, until the winning firm has been notified that it has been awarded the Contract.

2.12 Corrupt or fraudulent practices

2.12.1 The client requires that the, firms observe the highest standards of ethics during the selection and award of the consultancy contract and also during the performance of the assignment. The tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

2.12.2 The client will reject a proposal for award if it determines that the, firm recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
2.12.3 Further, firm which is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

SECTION V: TERMS OF REFERENCE

1.0 Terms of Reference are the initial statement to the consultant of the services to be performed and should therefore be clear and precise and should contain the following sections:

(a) Background,

(b) Objectives of the assignment,

(c) Task

(d) Deliverables

(e) Requirements

(f) Reporting arrangements

(g) Evaluation criteria

(h) Data services, personnel and facilities to be provided by client

(i) Terms of payments
1.0 Background and Context.
Environmental Action Plan is a tool that aims at integrating environmental concerns into development planning. Section 40 of the Environmental Management and Coordination Act, Cap 387, provides for the preparation of the County Environment Action Plans (CEAPs) for five years. The CEAPs should be approved by the County assembly and guide the County’s interventions in environmental protection, conservation and sustainable utilization of natural resources.
Meru County faces a myriad of environmental issues, including deforestation, soil erosion, desertification, water catchment destruction, poaching, domestic and industrial pollution, land degradation, loss of biodiversity, degradation of aquatic ecosystems and resources, droughts, floods and landslides and invasive and alien species. Further, climate change is impacting on many sectors of the County’s economy. In an effort to address these issues, Meru County intends to develop a comprehensive County Environmental Action Plan (CEAP) to be implemented in conjunction with other key stakeholders in accordance with Part IV of the Environmental Management and Coordination Act, cap 387.

2.0 Objectives of the Assignment
The main purpose of the development of the Meru County Environmental Action Plan 2018-2022 is to promote Sustainable Environmental and natural resource management in the County.

3.0 Tasks
a) Desk Research

- To review the International, National and County legal frameworks including but not limited to EMCA, 1999 and 2015 amendments, NEAC, 2009, Water Act, 2016, Meru County Environmental policy and Meru County Environmental Regulations and Control Act 2016.
- Review institutional framework for the management of the environment and natural resources at the County level and national levels
- Review relevant policy framework for the management of the environment and natural resources
- Review relevant planning documents including but not limited to County Integrated Development Plan (CIDP), the National Environment Action Plan (NEAP), Vision 2030, sectoral policies (Agriculture, water, energy etc.), previous CEAPs and State of Environment Reports etc.

b) Stakeholder Consultation

- Develop an appropriate stakeholder engagement plan that meets the requirements of the Kenya Constitution 2010, and the provisions of the Environmental Management and Coordination Act on Public participation in the planning process.
✓ Undertake stakeholder consultations at different levels in the development of the action plan with assistance of the County government.
✓ Document the process of stakeholder consultation in a Stakeholder Consultation report.

c) Compile the CEAP for approval by the County Assembly

✓ Compile a draft CEAP and subject it to stakeholder validation
✓ Ensure that the county Environmental Action Plan adequately addresses all the county Environmental issues.
✓ Incorporate the stakeholders input into the draft Environmental Action Plan and prepare a second draft of the Environmental Action Plan.
✓ Submit the draft Environmental Action Plan with the stakeholders’ inputs to the client for their approval.
✓ Compile the final County Environmental Action Plan and submit to the client

a) Scope of Work

The scope of work will be guided by the provisions of section 38 of the Environmental Management and Coordination Act, cap 387; which stipulates that an environmental action plan shall:

(a) Contain an analysis of the natural resources of Kenya with an indication as to any pattern of change in their distribution and quantity over time;
(b) Contain an analytical profile of the various uses and value of the natural resources incorporating considerations of intra-generational equity;
(c) Recommend appropriate legal and fiscal incentives that may be used to encourage the business community to incorporate environmental requirements into their planning and operational processes;
(d) Recommend methods for building national awareness through environmental education on the importance of sustainable use of the environment and natural resources for national development;
(e) Set out operational guidelines for the planning and management of the environment and natural resources;
(f) Identify actual or likely problems as may affect the natural resources and the broader environment context in which they exist;
(g) Identify and appraise trends in the development of urban and rural settlements, their impacts on the environment, and strategies for the amelioration of their negative impacts;
(h) Propose guidelines for the integration of standards of environmental protection into development planning and management;
(i) Identify and recommend policy and legislative approaches for preventing, controlling or mitigating specific as well as general adverse impacts on the environment;

(j) Prioritize areas of environmental research and outline methods of using such research findings;

(j) Take into account and record all monuments and protected areas declared or deemed to have been declared by the Cabinet Secretary under the National Museums and Heritage Act;

4.0 Deliverables

- Stakeholder/Public participation Plan
- Stakeholders Consultation report.
- Draft of the County Environmental Action Plan for approval.
